CARRIGTWOHILL UNITED AFC

U15 MAINTAIN THEIR POSITION AT TOP OF DIVISION 3 TABLE CARRIGTWOHILL 3 SPRINGFIELD RAMBLERS A 1

Player of the Match - Cillian Carroll
This was a top of the table clash with both teams, unbeaten until now, meeting for the first time this season. Carrigtwohill United produced one of their best performances of the season as they beat their rivals comprehensively.

Carrigtwohill, with the benefit of a strong wind, dictated the play and Springfield found it difficult to get out of their own half at times. The opening goal came from a Conor Lee free kick who tried an audacious shot from over 40 yards. The shot came back off the crossbar and was headed home by the alert Cormac Flynn. Carrigtwohill had chances to increase their lead before the break with the best chance by John Carroll being cleared off the line by some great defending.

The second half started with Springfield upping the tempo and playing a lot more ball in Carrigtwohill's half, but they came up against a superb defensive display. The defence was marshalled superbly by Conor Lee with defenders Ethan Daly, Cillian Carroll & Kevin Liu all putting in superb displays. The defence didn't give up a clear chance all game.

Springfield equalised in very similar fashion to Carrigtwohill's opening goal, a long distance free kick causing difficulty for the defence and the ball dropped to the feet of the Springfield attacker who jabbed it home.

Springfield were lifted but Carrigtwohill did not break and started to play the football they've been threatening all season. Carrigtwohill took a well deserved lead through a powerful header from David Rooney from a Jack Horgan corner. Carrigtwohill weren't finished as they constantly piled on the pressure in search of more goals and they were rewarded when good work down the right

led to a ball being delivered into the box and a neat lay off to Jack Horgan. Jack made no mistake with an unstoppable strike from 15 yards to seal a great win.

CARRIGTWOHILL U11 VS. EVERTON

A friendly match against Everton was the ideal preparation for the squad (pictured) in view of the season restarting next weekend.

A change of plan at the last minute as small goals were finally not available so the game had to be played on a full pitch and in big goals. Players numbers meant that both teams played 10V10 – all in all quite a challenge for this age group.

The full pitch entailed a lot of running and as long as the legs were still fresh, Carrigtwohill competed well, staying in touch with Everton. However, as time passed, legs got tired and gaps began to appear as Everton had subs available to keep their team fresh and were able to finish the match stronger.

A fun morning of soccer and a very useful way to get back into the spirit of the league matches. Well done to all.
