ON Sunday last, Carrigtwohill United held their End of Season Awards ceremony in Midleton Park Hotel. It was another successful year for the club on the soccer field and they were delighted to be able to present medals to two schoolboy squads.

The guest of honour was the FAI President Mr. Tony Fitzgerald who was on hand to present the medals.

Club chairman, Martin Jones, opened proceedings by thanking all involved both managers, coaches and committee members and congratulated all players on their effort and participation for the season. Special thanks to Aedan Long who this year steps down as treasurer after 15 years of service.

After two defeats in their opening two matches, the Under-13 squad managed by Paul Nolan, John Joe Harte and Declan Bolger, went on a 10 match unbeaten run which secured runners up spot in Division 5. This was a great performance by this squad who look forward to further success in the coming season.

The stand-out team this year at Carrigtwohill was our Under-15 squad. Their achievement was really special – not only winning the Division 3 title but doing so without losing a match – at any grade or any age group that is a noteworthy achievement.

The manager Liam O'Riordan thanked his backroom staff of Dave Keokane and Alan Creedon for the work they put in this year. He went on to comment on the level of commitment of this squad – who after failing to get promoted on the final day of the previous season – put in a huge amount of effort during the winter in their desire to atone for the near miss and win the title this time around.

The club would like to thank the FAI President Mr. Tony Fitzgerald for making time in his extremely busy schedule to attend our presentation.

The event was capped off by a meal and music social event where plans for next season are already being discussed!
